INTERVIEW OF ALICE A SMITH

BY

SHEILA M RYAN

I interview Alice A Smith on April 28, 1994. This interview was conducted on the Montana Tech Campus. Connie Daugherty and I interview Alice at the same time. Connie is writing an article about Alice for the Montana Senior paper. I had intended to interview Alice later but had my tape player going during this interview and asked her question. After listening to the tape, I realize that the relax atmosphere of the interview could not be duplicated and I am submitting the interview.

Jim you know how Alice answer a question so the interview did not follow any set guidelines. Some of the questions I asked her were:

How long have you lived in Butte?

When did you attend Montana Tech?

What was it like growing up during the depression?

And then she just took off and gave me a lot interesting information.
