Dear Paula:

Thank you for your note regarding the oral history tapes that you donated. We have made the necessary corrections on our records.

Please find the enclosed copy of the revised inventory for your records.

Sincerely,

Kathy Driscoll

Dear Elus,

I was going thru all my papers
over Christmas break and I found
among my old notes from the
real histories. Francis's full
name is Francis (Lemuel) Kosorok.
Her birthdate is 4/30/1930
Carl Engelback's birthdate is 6/5/1911.

If I am reading my notes
correctly, Julian Sullivan's
married name was Tappin. I hope
this helps a bit.

Happy Holidays,
Paula Connor

Dear Paula:

We would like to express our sincerest appreciation for the oral history tapes that you recently donated. They are a wonderful way to preserve our history.

Please find the enclosed copies of the inventory and the Deed of Gift for your records. We need you to clarify the last name of Frances and if there is a tape number one and if there is a tape number one for Lillian Sullivan. If there are, will you be donating those?

Thank you again for your consideration.

Sincerely,

A handwritten signature in cursive script that reads "Kathy Driscoll". The signature is written in black ink and is positioned above the typed name.
